

Scouting for Food - 2005 Drop-Off Point

When you have finished collecting in your area, or if your vehicle is so full that you want to empty it before continuing to collect any more food, please travel directly to the Drop-Off Point.

The Drop-Off Point is the parking lot at "Our Savior Lutheran Church" at 825 S. Taylor St. in Arlington. In North Arlington, take either Washington Blvd. or Lee Highway to George Mason Drive, turn south on George Mason Drive, stay on George Mason Drive across U.S. Route 50, go four blocks past Rt. 50, and turn right on South 4th St., then travel 1 block, and turn left on South Taylor St. The Church is 4 blocks down, on the left, again 825 South Taylor St. The second (further) entrance is the one we use for Scouting for Food, so you will circle around the back of the Church to approach the drop-off zone.

We will again have Traffic Controllers in place at the parking lot, and (hopefully) dozens of assisting Scouts and Adults at the drop-off point. Please follow their directions to maximize efficiency.

Toys for Tots and American Flags should be dropped off in the Troop 111 Cargo Van, which will be parked at the drop-off point.

Thanks!
